The image shows a word wall game interface. At the top, a wooden sign reads "اضرب حيوانات الخلد التي: صديقة" (Hit the mole animals that are: friends). Below the sign, four mole characters are positioned around a central mole character. Each mole has a speech bubble containing an Arabic letter: the top-left mole has 'ص', the top-middle mole has 'م', the top-right mole has 'ض', and the bottom-middle mole has 'ل'. The background is a desert landscape with mountains and cacti. At the bottom of the screen, there are icons for a menu, volume, and full screen.
